## Cross Rising Sun Canadian Protestant Missionary

**latitude & longitude explained - shurdington village** - lines of latitude on a globe of the earth, lines of latitude are circles of different size. the longest is the equator, whose latitude is zero, while at the poles--at latitudes 90° north and 90° south (or -90°) the circles shrink to a point. **annual stampede bbq - southern alberta pioneers building** - 5 a good read recommended by our members from the back cover - written over a 30-year period, eleanor g. luxton's latch string out dramatically describes the pioneer life of annie mckenzie mcdougall wife of western fur trader and rancher, david mcdougall. **abbey of our lady of ephesus gower, missouri** - the postulants gang up on their canadian cohort outside the new barn. sunny, on the left, is showing clearly that he is missing his sister, rosie.
