
Life Children Glimpses Animal Amoeba Insects

views from the real world - imago mundi - editors' note *glimpses of truth is an account, written by one of his russian pupils, of a visit to gurdjieff near moscow before the revolution. it is the first—and probably the only one—of a series of essays **the desire of ages** - preface in the hearts of all mankind, of whatever race or station in life, there are inexpressible longings for something they do not now possess.*
